MOVE-OUT INSPECTION GUIDELINES:

The move-out inspection is predicated on the move-in inspection report you will receive at lease signing or when you pick up the keys to your new rental home. Fill it in within 5 days of your beginning lease date and return it to us. Any photos must be attached to the document in print or PDF format. Be sure to keep a completed copy, or get one from us when you bring it back for your records! Upon your check-out, the property is to be returned to the Agent in the same or better condition as when you took possession, excepting normal wear and tear. Please keep in mind, normal wear and tear is not an excuse for dirty and damaged. The following items are the guidelines for the move-out inspection.

1. Move-out inspections are conducted Mondays through Fridays from the hours of 9:00 am to 5:00pm.
2. The tenant shall call for the inspection with Agent. Tenant has the right to be at the inspection.
9. The inspection should be scheduled only after the unit is empty, cleaned, and carpets cleaned and deodorized. Property is to be turned over to Agent in "**Move-in Ready**" condition.
3. If you were allowed to have a pet in the property, the home must be professionally sprayed for pest and fleas upon your exit. A receipt must be supplied to the Agent as proof of this service.
4. The utilities should be on for the inspection and remain on in the tenants name for the next 48 hours. This is in case cleaning or repairs are needed from the inspection. Failure to comply with this rule will result in the utilities being turned back on for a penalty per utility and charged to the tenant(s).

Initials _____

5. All traces of odors from cooking, smoke, pets, etc., must be absent from the property or the tenant shall be charged to remediate such smells.
6. If the Property Manager/Agent has to order and supervise any repairs necessitated by Tenants omission at move-out, the Tenant will be charged a \$35 Coordination Fee for each contractor needed to cure the deficient items.
7. In the event of actions taken in Paragraph G above, the tenant shall be charged rent for the property from the date of the check-out date until repairs are made or cleaning finalized.

Q. What charges are made if I do not comply with the above conditions?

A. The costs of labor and materials for cleaning and repairs. Delinquent payments, unpaid late charges and any rental fees due if the lease has not expired shall also be deducted from security deposit.

Q. What type of damage should one be especially careful to avoid?

A. Floor and wall damage. Departing residents will be held responsible for damage to vinyl and wood floors. Indentations caused by "gliders" under furniture legs cause extensive damage. Gouges and holes can be made in walls when moving furniture. Caution with corners and stairs is advised.

Q. How is the security deposit returned?

A. After completion of final walk-thru with the Agent, your security deposit check will be mailed to your forwarding address. The check will be made jointly to all persons whom signed the lease.

It is understood that this agreement is to be made a part of your lease dated
